SUGGESTED ORDER
FOR YOUR WEDDING SERVICE

The following is a typical order of service as used in Winchcombe Parish. It gives the headings which you may care to use, or adapt, in your printed service leaflets. You, or the Minister who is marrying you, may prefer to vary this order, and you should be careful to liaise with each other before committing to a version to be sent to the printer. Suggestions for readings and prayers are given at the end of the booklet. (If you are having a Service of Blessing rather than an actual marriage service, the order will be different from this.)
