Vision of the Future

Bishop Rachel instigated a process to produce a New Diocesan Vision document that would describe the way forward in the Gloucester Diocese. Over 6000 gave their views in the process and the first draft of the document has just been published. The final version of the document is due at the end of November and will be followed by an implementation phase. Go to <http://www.vision2016.org.uk/> to find out more.

Next Month's *What's On*

The next edition of *What's On* will cover November and December. Please let me have any material that you would like to be included by 24th October.
